# Knights Rush Their Way To A Winning Season

The Scarlet Knights' football team, coached by Mr. Rorke and led by co-captains Mike Heafey and Bill McMahon, had a great season. The team compiled an outstanding 8-2 record and ranked second in the Cape Ann League standings. Led by their leading ground gainer, sophomore Dan Brucato, and the play-making of quarterback Mike Chaput, the team proved to be a consistent winner throughout the fall season. North Andover players selected to the league all-star team were Mike Heafey, Tim Keegan, Bill Chorey, Dan Brucato, and Jack McManus. The J.V. squad also had a fine season and ended with a record of 6-2-1. It has weekly meetings where plans are made for events such as dances, scholarship drives and other fund raising activities. This year, the Student Council voted to sponsor a foreign child. The large number of members, the leadership of President Karen Brown, and the advice of Mr. Buco all contributed to the great success the council enjoyed this year.

# Student Committees Bring New Changes

The Student Advisory Committee acts as a counterpart to the School Committee. Student representatives take the ideas and feelings of the student body to the members of the School Committee, in an attempt to establish communications between the two groups. Although not always able to bring about change, the efforts of the committee are greatly appreciated by students.

Greater Lawrence Association of Student Councils: Members: Carol Firth, Lisa Morocco, Maria Galvagna, and MaryAnn Testa.

Student Advisory Committee: Ken Kotce, Karen Licare, Judy Birch, Ellen Sommers, Karen Brown, Betsy Plant.

The Teacher Advisor Committee, founded to promote a more personal atmosphere between teachers and students, was more effective this year when the meetings were changed to the end of every day. Although the meetings were not long, they gave students a chance to know their advisor better.

Teacher-Advisor Committee: Mr. Stocking, Mrs. Scott, Mr. Zolot. Second Row: Mary Jo Palermo, Melinda Warner, Linda Gundal, Maggie Leland, Mary Kate Hudson.

School would surely be more boring if the Audio-Visual Club did not exist. By providing students with video tapes, films and color TV, the club gave students an alternative to the conventional lectures. The time and effort put into making the year's learning more interesting was greatly appreciated.

## Photography Club

Isn't it strange, whenever you do something akward like tripping over your own feet, there's always a photographer walking around with his camera? If you couldn't afford the blackmail, your picture would wind up in the Squire or Yearbook. The photographers were everywhere, much to the dismay of their victims.

## Scholarship And Service

All too often, we neglect to recognize those students who exercise their academic abilities to the fullest. The National Honor Society is one way of honoring these students. Under the direction of Mrs. Weaver, a tutorial program was established, visits to the elderly were made, and members worked in conjunction with the Red Cross for the Annual blood-mobile.

## *Hockey Team Skates On!*

The 1975-76 hockey team, led by co-captains Bob Donahue and Dan Noone, finished the season with a disappointing record of 3-11-1. Although the team failed to post a winning record many members contributed outstanding individual performances throughout the winter season. Captain Noone was chosen to the league All-Star Team, and Tom Carney was voted captain-elect for next year. With a number of experienced players returning next year, Coach Fitzgerald hopes to be able to make North Andover a contender for the league crown.

Since this year's team was composed of over one-half sophomores and freshmen, it is expected that the record should vastly improve next season.

## New Leadership Sparks Creativity

Entertainment, imagination and talent are but three of the Drama Club's concerns. This year proved to be a most successful one for North Andover's thespians, under the direction of Miss Bissonette. The club had two productions, "The Gift of the Magi" which was presented at Christmas and starred Becky Slade and Geoff Brown, and "The Boyfriend" which was produced in April. Both productions were greatly appreciated by all who saw them.

### Language Honor Societies

The Marcel Marceau Chapter of the French National Honor Society began its first year under the direction of Mrs. Scott. The society is open to students who have completed two years of French with an A average, and maintain a B average in all other subjects. Members formed a tutorial program for those students having difficulty in French.

This year was a successful one for the Carlos Montoya Chapter of the Spanish Honor Society. Members were busy with various activities which included a tutorial program, aiding Mr. Guptill in the library cataloguing Spanish books, and visiting areas of cultural interest.

## History.

When man needed transportation, he invented the wheel. When man needed warmth, he discovered fire. And when man needed real refreshment, he invented the real thing. Coca-Cola.

## English.

**Coca-Cola** (Koka-Kola)  
**Coke** (Koke): trademarks which identify the same dark-colored, delicious, carbonated soft drink.

This unique tasting soft drink gives real refreshment, pleasure, fun, quenches thirst, it's the real thing.

The classic bottle.

## Math.

Man X is working in the sun where it is  $97^{\circ}$   
Man Y is working in the shade where it is  $92^{\circ}$   
Both X and Y then have a bottle of Coca-Cola, (ideally served at  $34^{\circ}$ ).  
Construct an equation:

$$\begin{aligned} X + Y + \text{refreshing Coca-Cola} \\ = X + Y - \text{thirst.} \end{aligned}$$

## Poetry.

It's the real thing.  
In the back of your mind,  
What you're hoping to find,  
Is the real thing.

It's the real thing.  
That's the way it should be.  
What the world wants to see,  
Is the real thing.

**It's the real thing.  
Coke.**
